Date 3/17/10

ADDENDUM #2

To prospective bidders/proposers on bid/RFP # 20622 for Cleaning and Refuse Removal for Septic and Drainage Systems at PATH Facilities - Three Year Requirements Contract

Due back on 4/13/10, no later than 11:00AM

Originally due on _____, no later than 11:00AM/2:00PM

The following changes are hereby made in the documents:

In response to questions from prospective bidders, the following information is provided.

- 1. Q. Wastewater in basins; is this supposed to mean waste materials as far as solid or all wastes in the basins and troughs?**
A. All waste accumulated in the troughs and basins by storm water run-off.
- 2. Q. Who can we contact to get access to visually inspect these sites?**
A. See Part II, page 2, items 10, "Facility Inspection."
- 3. Q. Drains – are these small floor drains?**
A. These are all exterior drains of various sizes located on bus platform and plaza level at the Journal Square Transportation Center, Jersey City, NJ, which collect storm water run-off
- 4. Q. Will S.W.A.C. be sufficient enough for security clearance?**
A. Yes

This communication should be initialed by you and annexed to your bid/proposal upon submission.

PS11All

In case any bidder/proposer fails to conform to these instructions, its bid/proposal will nevertheless be construed as though this communication had been so physically annexed and initialed.
