The following changes are hereby made in the documents:

The following information is made available in response to questions submitted by Bidders to the Port Authority. It addresses only those questions, which the Port Authority of NY & NJ has deemed to require additional information and /or clarification. The fact that information has not been supplied with respect to any questions asked by a Bidder does not mean or imply, nor should it be deemed to have any meaning, construction or implication with respect to the terms and provisions of the bid which will be construed without reference to such questions.

PATH Answers to questions posed at the Facility Site Visit 7/15/10

The Rail flat car has approximately 32 ft x 7ft of open platform area (to transport the old and new transformer to and from Jersey city to 19th Street).

The gap between the flat car and the 19th street platform is 8 inches maximum and the rail flat car platform elevation is approximately 6 inches higher than the 19th street platform. The Contractor must furnish all equipment and material required for loading and unloading at both the Jersey City PATH Consolidated Facility and the NYC 19th street Substation platform.

Attached for information is a copy of the Facility Site Visit Attendance Sheet.

Bid Due date remains 7/29/10 at 11:00 AM

This communication should be initialed by you and annexed to your bid/proposal upon submission.

In case any bidder/proposer fails to conform to these instructions, its bid/proposal will nevertheless be construed as though this communication had been so physically annexed and initialed.
