PROCUREMENT DEPARTMENT
1 MADISON AVENUE, 7TH FLOOR
NEW YORK, NY 10010

SOLICITATION #: 20544

TITLE: Request for Prequalification Information (RFPQ) for the Multi-Facility Design, Implementation, and Maintenance of a Replacement Toll Collection and Audit System, with Capability for Future All-Electronic Tolling, at Port Authority Crossings

DESCRIPTION: The Port Authority of NY & NJ wishes to pre-qualify firms to design, implement and maintain a Replacement Toll Collection and Audit System, with the capability for future All-Electronic Tolling, on approximately 72 lanes at the six Port Authority Crossings. The new toll collection system will equip all of the lanes so that they can function with the same collection modes the Port Authority has today – cash and E-ZPass – but will also provide for the ability to move to All-Electronic Tolling by ensuring that during initial deployment, any additional components and software needed for All-Electronic Tolling will also be configured, installed, and operationally tested.

RFPQ DUE DATE: 4/15/2010

The qualification information, including associated material and instructions for submission for this project are available online at: <http://www.panynj.gov/business-opportunities/bid-proposal-advertisements.html>.

You may also click [here for the document](#). If you have any technical problems accessing the RFPQ documents online, email us at paprocedure@panynj.gov or call us at (212) 435-3905 for assistance.

Note: Only firms that have responded to this RFPQ and as a result have been deemed pre-qualified via written approval from the Port Authority will be asked to respond to a future Request for Proposal for this specific Project.

A VALID PHOTO ID IS REQUIRED TO GAIN ACCESS INTO THE BUILDING, IF YOU ARE HAND DELIVERING.
