The Port Authority of New York and New Jersey intends to pre-qualify prospective bidders for the project(s) listed below. The qualification information and instructions for submission for this project are available on-line at www.panynj.gov/business-opportunities/bid-proposal-advertisements.html

RTQ # 20413 Contract GWB-244.022: George Washington Bridge - Upper Level Deck Rehabilitation

Due Date: March 22, 2010

Contact: Jessamma Vatakencherry: telephone at 212-435-3953, email at jvataken@panynj.gov.

The Port Authority of New York and New Jersey intends to pre-qualify prospective bidders for contract work at the George Washington Bridge. The work generally consists of removal of portions of the upper level orthotropic deck and replacement with new 6-foot orthotropic deck panels spanning over each main floor beam. The work also includes installation and modification of supporting structural steel, installation of scuppers, performing priority steel repairs, paving the westbound upper level roadway, finger joint rehabilitation, and weld improvements using ultrasonic peening.

It is anticipated that bid documents will be available to pre-qualified bidders on or about May 2010. In order to pre-qualify for the said contract, all participating firms must execute and submit the Attachment B – Terms of Discussion with their RFQ submittal package.
